

## PUBLIC WORKS NEWS BRIEFS

The City is going to repave Argosy Avenue from Bolsa Chica Street to Graham Street with a two-inch rubberized asphalt concrete (RAC) surface which contains crumb rubber derived from scrap tires. The project is planned to divert more than 4,000 waste tires, that otherwise would end up in a landfill.

### City of Huntington Beach Public Works Department CC-1424 Argosy Avenue Rehabilitation Project from Bolsa Chica Street to Graham Street

Funded by a Grant from:

## CalRecycle

## California Department of Resources, Recycling and Recovery

This Project will Repave a City Street with Rubberized  
Asphalt Concrete and will divert over 4,000 Waste Tires from  
California's Landfills
